

BROWN COUNTY COMMUNITY HEALTH IMPROVEMENT PLAN

FOCUS AREAS: 2025-2027

Every three years, health-focused organizations work together to identify health problems in Brown County. The Community Health Improvement Plan (CHIP) creates a plan to collaboratively address those problems. Here is a summary of that plan:

FOCUS AREA #1: MENTAL HEALTH AND SUBSTANCE USE

Decrease number of poor mental health days.

Adults reporting 14 or more poor mental health days per month

Prevent excessive alcohol use.

Adults that report excessive drinking

Increase resources to prevent opioid-related overdoses.

Opioid-related overdose deaths

FOCUS AREA #2: HEALTHY AND SAFE HOMES

Increase access to safe and affordable housing.

Individuals experiencing unsheltered homelessness (Point-in-Time Count)

FOCUS AREA #3: PATHWAYS TO HEALTHCARE

Help people get the right medical care when and where they need it.

Adults who did not see a doctor in the past 12 months when they needed to because they could not afford it
